

DATASHEET

Detector, activates LED in LED Patch Cable

General data

For activating the LEDs in VC45 patch cable. Different flash signals (short/long) or a continuous lighting can be generated - Included in delivery: detector, 4 x battery DC 10002 (type LR41), case

Allgemeine Daten

Applicable under tension	True
Suitable for searching plastic	False
Suitable for searching wood	False
Operating conditions	3
Rechargeable	False
Max. search depth	- cm
Suitable for searching metal	False

Mechanische Eigenschaften

Housing material	Anodised aluminium
------------------	--------------------

Kaufmännische Informationen

Packaging	Case
